By Road: The entrance to the site's main parking in the multi-storey car park is off Tremona Road at the top, northern end of the site. When parking in the multi-storey car park, collect your ticket on entry and keep it with you. On your return, and before you arrive at your vehicle, insert your ticket in one of the pay on foot machines (located on the ground floor by the entrance to the car park, and outside the main hospital entrance) and pay then for your stay. This ticket is then used to exit from the car park. Some additional parking spaces are available at the bottom southern end of the site below the Eye Unit and Neurological Centre, with the entrance off Coxford Road. There is one "Pay on Foot Station" within this car park located near to the exit barriers.
